Vehicle Care

ICT Products for Vehicle Care	Benefits
Exterior Care	
DIY Product with a Rinse	
Flexipel SR-80	Aqueous polymer used to impart a hydrophilic and easy clean surface which resists soap scum build-up, hard water deposits, and oily soil. Sheeting action provides spot-free drying for vehicle care such as DIY applications with a rinse. Acceptable for aerosol application.
One-step, No Rinse, Touchless Wash	
Flexipel SR-95HF	Functionalized dispersant polymer with built-in detergency, wetting, and haze-free benefits. Used for vehicle cleaners such as one-step, self-dry, no rinse, touchless wash. Leaves a durable barrier. Acceptable for aerosol.
Drying Additive for Tunnel Car Wash	
Flexipel Q-50	Aqueous, water stable, reactive silane which readily dissolves in water. Produces a range of benefits: water repellency, stain resistance, antistatic, scratch resistance, and lubricity. May enhance luster. Acceptable for aerosol. Used as a spray-on, tunnel car wash drying additive, with high water beading.
Automotive Polish, Tire Dressing	
Flexiclean SS-100	Concentrated aqueous emulsion used to impart high gloss to rubber, vinyl, and other surfaces. Used for automotive polish, cleaners, and tire dressing.
Surfactants for Vehicle Cleaners	
Flexiclean AMP-FB	Bio-based, high foaming amphoteric detergent with solubilizing & emulsification properties. Can be combined with Flexipel SR-80 for vehicle care formulations. Acceptable for aerosol application.
Flexiwet WBD	VOC-free, nonionic surfactant with powerful wetting, degreaser, & detergency properties. Rapid dynamic surface tension. Phosphate-free and APEO-free. Used for vehicle cleaners, including aviation wash. Acceptable for aerosol.
Interior Care	
Fabric Upholstery & Carpet Protector (also refer to the ICT Carpet Care Product Line literature)	
Thetapel AM-5010	Ambient cure, durable oil & water repellent protector for soft surfaces, such as upholstery and leather. Provides soil and stain resist protection.
Odor Absorber	
Flexisorb OD-202	Zinc ricinoleate based odor neutralizer designed for carpet and upholstery. Contains renewably sourced content derived from castor seed oil. Acceptable for aerosol application.
Leather Care	
Flexiclean LC-200	Leather cleaning concentrate which can be diluted with water for cleaning leather substrates, and is pH balanced. Acceptable for aerosol application.
Flexicon LC-65	Concentrated emulsion which readily dilutes in water for cleaning and conditioning leather. Easy to use as a spray on/wipe off product. Contains optimized blend of detergents and natural oils. Acceptable for aerosol.
Thetapel LP-C600	Leather protector which is a ready-to-use, aqueous, spreadable gel emulsion. Provides oil & water repellency, plus soil and stain resistance for leather. Easy to use, by wiping on and rubbing off. Does not have artificial sheen.
Vinyl and Plastic Care & Shine	
Flexiclean SS-100	Aqueous emulsion additive which imparts high gloss to vinyl & plastic surfaces. Acceptable for aerosol application.
